and Buyer has agreed to acquire, substantially all of the Debtors' assets (collectively, and as specifically set forth and defined in the APA, the "Acquired Assets") other than the Excluded Assets, and the Debtors have agreed to transfer and Buyer has agreed to assume certain of the Debtors' liabilities (collectively, and as specifically set forth and defined in the APA, the "Assumed Liabilities") (collectively, and including all actions taken or required to be taken in connection with the implementation and consummation of the APA, the "Transactions"); (ii) authorizing and approving the sale of the Acquired Assets (the "Sale"), free and clear, to the maximum extent permitted under section 363(f) of the Bankruptcy Code, of any and all interests, including any Adverse Interests (as defined in Paragraph Q below) (other than Permitted Liens and Assumed Liabilities), with all such Adverse Interests to attach to the proceeds of the Sale, in the order of their priority, with the same validity, force and effect that they now have against the Acquired Assets, subject with respect to such proceeds to any rights, claims and defenses the Debtors or any parties in interest may possess with respect thereto; (iii) authorizing the assumption and assignment to Buyer of certain executory contracts and unexpired leases of the Debtors in accordance with the APA, the Bidding Procedures Order (as defined herein) and this Order; and (iv) granting other relief; and the Court having entered an order approving the bidding procedures and granting certain related relief on July 8, 2016 [Docket No. 82] (the "Bidding Procedures Order"); and an auction (the "Auction") having been held on August 16, 2016 in accordance with the Bidding Procedures Order; and Buyer having been deemed the Successful Bidder by the Debtor, in consultation with the official committee of unsecured creditors appointed in the Cases (the "Committee"), pursuant to the Bidding Procedures Order; and the Court having conducted a hearing on the Motion on August 18, 2016 (the "Sale Hearing") at which time all interested parties were offered an opportunity to be heard with

respect to the Motion; and the Court having reviewed and considered the Motion, declarations and other evidence submitted in support thereof, the APA, the Bidding Procedures Order, the record of the hearing before the Court on August 18, 2016; and having heard statements of counsel and the evidence presented in support of the relief requested in the Motion at the Sale Hearing; and due notice of the Motion, the APA, the Bidding Procedures Order and the Auction having been provided; and having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their stakeholders and all other parties in interest; and the Court having jurisdiction over this matter; and the legal and factual bases set forth in the Motion and at the Sale Hearing establishing just cause for the relief granted herein; and after due deliberation thereon,

THE COURT HEREBY FINDS AS FOLLOWS:

Jurisdiction, Venue, Statutory Bases and Final Order

A. This Court has jurisdiction to consider the Motion in accordance with 28 U.S.C. §§ 157 and 1334.

B. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2), and the Court may enter a final order consistent with Article III of the United States Constitution. Venue of this proceeding and the Motion is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

C. The statutory and legal predicates for the relief requested in the Motion and provided for herein are sections 105(a), 363 and 365 of the Bankruptcy Code and Bankruptcy Rules 1005, 2002, 6004, 6006, 9007, 9014 and 9019.

Notice of the Transactions, APA, Sale Hearing, Auction and the Cure Amounts

D. Actual written notice of the Sale Hearing, the Auction, the Motion and the Sale, and a reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein, has been afforded to all known interested entities including to the following

parties: (i) the office of the United States Trustee for the Southern District of New York; (ii) counsel to the Committee; (iii) parties who are known or reasonably believed to have asserted any lien, encumbrance, claim or other interest in the Debtors' assets that are the subject of the proposed sale of the Acquired Assets, if any; (iv) all parties who have filed a notice of appearance and request for service of papers in the Cases pursuant to Bankruptcy Rule 2002; (v) each of the Debtors' current landlords and each counterparty to the Debtors' Non-Residential Leases and Other Executory Contracts (as defined in the APA); (vi) all applicable state and local taxing authorities, including the Internal Revenue Service; (vii) each governmental agency that is an interested party with respect to the sale of the Acquired Assets contemplated by the Stalking Horse APA and the transactions proposed thereunder; (viii) the Securities and Exchange Commission; and (ix) counsel to Buyer.

E. The Debtors published notice of the time and place of the proposed Auction, the time and place of the Sale Hearing and the time for filing an objection to the relief requested in the Motion relating to the Sale in the United States edition of the *USA Today* on July 14, 2016.

F. The foregoing notice was good, sufficient and appropriate under the circumstances, and no other or further notice of the Motion, the Auction, the Sale Hearing, the APA or the Transactions is required. The disclosures made by the Debtors concerning the APA, the Auction, the Transactions and the Sale Hearing were good, complete and adequate.

G. The Debtors have filed and served cure notices (the "Cure Notices") upon all non-Debtor counterparties to all Non-Residential Leases and Other Executory Contracts notifying such parties: (i) that the Debtors may seek to assume and assign such Leases and Contracts on the Closing Date of the Sale as provided in the APA and (ii) of the Debtors' good faith estimates of the cure amounts required in connection with such Lease or Contract. The Debtors will also

file and serve an Assumption Notice upon the non-Debtor counterparties to the Contracts listed on the Closing Designated Contract List, and the Debtors will file and serve, in accordance with the Post-Closing Assumption and Assignment Procedures set forth herein, Post-Closing Designation Notices upon the non-Debtor counterparties to the Non-Residential Leases and Other Executory Contracts that Buyer designates for assumption and assignment. The service of the Cure and Assumption Notices and the service of the Post-Closing Designation Notices in such manner will be good, sufficient and appropriate under the circumstances, and no further notice is required.

Highest and Best Offer

H. As demonstrated by the evidence proffered or adduced at the Sale Hearing and the representations of counsel made on the record at the Sale Hearing, the Debtors conducted a marketing process in accordance with, and have otherwise complied in all material respects with, the Bidding Procedures Order, and the Acquired Assets were adequately marketed by the Debtors. All interested persons and entities have been afforded a full, fair and reasonable opportunity to (i) conduct due diligence investigations, (ii) submit higher or otherwise better bids to purchase the assets of the Debtors and (iii) object and be heard in connection with the Sale Motion and the relief granted by this Order. The Auction contemplated by the Bidding Procedures was held on August 16, 2016. At the conclusion of the Auction, Buyer was selected by the Debtors, in consultation with the Committee, as the Successful Bidder.

I. The consideration provided by Buyer under the APA constitutes or provides the highest or otherwise best offer and provides fair and reasonable consideration to the Debtors for the sale of all Acquired Assets and the assumption of all Assumed Liabilities, and the performance of the other covenants set forth in the APA will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. Buyer is the

Successful Bidder for the Acquired Assets in accordance with the Bidding Procedures Order.

The Debtors' determination that the APA constitutes the highest or otherwise best offer for the Acquired Assets is a valid and sound exercise of the Debtors' business judgment consistent with their fiduciary duties. ~~Buyer has complied in all respects with the Bidding Procedures Order and any other applicable order of this Court in negotiating and entering into the APA. The Sale and APA likewise comply with the Bidding Procedures Order and all other applicable orders of this Court.~~ [SMB: 8/22/16]

J. Entry of an order approving the APA and all the provisions thereof is a necessary condition precedent to Buyer's consummation of the Transactions.

Good Faith of Buyer and Arms' Length Sale

K. Buyer is entering into the Transactions in good faith and is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code ~~and the court decisions thereunder, and is therefore entitled to the full protection of that provision with respect to all aspects of the transactions contemplated by the APA, including the acquisition of the Acquired Assets, and otherwise has proceeded in good faith in all respects in connection with this proceeding.~~ Neither the Sellers nor Buyer has engaged in any conduct that would cause or permit the Transactions to be avoided or result in the imposition of any costs or damages under section 363(n) of the Bankruptcy Code. Specifically, Buyer has not acted in a collusive manner with any person and the Purchase Price was not controlled by any agreement among the bidders. In addition, none of Buyer or its respective affiliates, present or contemplated members, officers, directors, partners, shareholders or any of their respective heirs, successors and assigns is an "insider" of any of the Debtors, as that term is defined in section 101(31) of the Bankruptcy Code. [SMB: 8/22/16]

L. In accordance with section 365 of the Bankruptcy Code, including sections 365(b)(1) and 365(f)(2) of Bankruptcy Code, the Debtors have shown that Buyer has the wherewithal, financial and otherwise, to perform all of its obligations under the APA.

No Fraudulent Transfer

M. The consideration provided by Buyer pursuant to the APA for its purchase of the Acquired Assets, the assumption of the Assumed Liabilities and the performance of the covenants contained in the APA constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, the Uniform Voidable Transactions Act, and under the laws of the United States, any state, territory, possession thereof or the District of Columbia.

N. There has been no showing that any of the Debtors or Buyer (i) has entered into the APA or proposes to consummate the Transactions for the purpose of hindering, delaying or defrauding the Debtors' present or future creditors or (ii) is entering into the APA or proposing to consummate the Transactions fraudulently, for the purpose of statutory or common law fraudulent conveyance and fraudulent transfer claims, whether under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof or the District of Columbia or any other applicable jurisdiction with laws substantially similar to the foregoing.

Successor Liability Matters

O. By virtue of the consummation of the Transactions contemplated by the APA, (i) Buyer is not a continuation of the Debtors or their respective estates, there is no continuity between Buyer and the Debtors, there is no common identity between the Debtors and Buyer, there is no continuity of enterprise between the Debtors and Buyer, and Buyer is not a mere continuation of the Debtors or their estates, (ii) ~~Buyer is not holding itself out to the public as a continuation of the Debtors or their respective estates~~ and (iii) the Transactions do not amount to

a consolidation, merger or *de facto* of Buyer and the Debtors and/or the Debtors' estates.

Accordingly, Buyer is not and shall not be deemed a successor to Seller as a result of the consummation of the Transactions contemplated by the APA. [SMB: 8/22/16]

Validity of Transfer

P. Each Debtor's Board of Directors or equivalent and Buyer have authorized the execution and delivery of the APA and the Transactions. The Debtors and Buyer (i) have full corporate power and authority to execute and deliver the APA and all other documents contemplated thereby, as applicable, (ii) have all of the power and authority necessary to consummate the Transactions and (iii) have taken all action necessary to authorize and approve the APA and to consummate the Transactions, and no further consents or approvals are required for the Debtors or Buyer to consummate the Transactions contemplated by the APA, except as otherwise set forth therein.

~~Q. Buyer shall have no obligations with respect to any (a) Liens of any other kind, (b) debts and claims (as that term is defined in section 101(5) of the Bankruptcy Code), including all claims and causes of action of defamation, libel or slander with respect to any content published by the Debtors prior to Closing, and (c) Liabilities, obligations, costs, expenses, causes of action, avoidance actions, demands, guaranties, options, rights, contractual commitments, settlements, injunctions, restrictions, encumbrances, reclamation rights, and similar matters of any kind whatsoever, whether known or unknown, fixed or contingent, or arising prior to or subsequent to the commencement of these chapter 11 cases (the "Cases"), and whether imposed by agreement, understanding, law, equity or otherwise (each of the foregoing collectively or individually, and including, to the extent not already specified above, Successor or Transferee Liability (as defined in Paragraph 19 below), the "Adverse Interests") against or in respect of any~~

~~of the Debtors or their assets, including the Acquired Assets (other than Permitted Liens and Assumed Liabilities).~~[SMB: 8/22/16]

R. The Acquired Assets constitute property of the Debtors' estates and title thereto is presently vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code.

Section 363 Is Satisfied

S. Entry into the APA and consummation of the Transactions contemplated thereby constitute a valid and sound exercise of the Debtors' business judgment consistent with their fiduciary duties and such acts are in the best interests of the Debtors, their respective creditors, their estates and other parties in interest. The Debtors have demonstrated both (i) good, sufficient and sound business reasons and justifications and (ii) compelling circumstances for the sale of the Acquired Assets to Buyer pursuant to section 363(b) of the Bankruptcy Code prior to, and outside of, a plan of reorganization. Such business reasons include the facts that (i) there is substantial risk of deterioration of the value of the Acquired Assets if the Transactions are not consummated quickly; (ii) the APA constitutes the highest and best offer for the Acquired Assets; (iii) the APA and the consummation of the Transactions contemplated thereby present the best opportunity to realize the value of the Acquired Assets and avoid decline and devaluation of the Acquired Assets; and (iv) unless the sale of the Acquired Assets is consummated expeditiously as provided for in the Motion and pursuant to the APA, creditors' recoveries may be diminished.

T. The **price at which the Acquired Assets are being sold is greater than the aggregate value of all liens on the Acquired Assets.** ~~Debtors may sell and assign the Acquired Assets free and clear of all Adverse Interests (other than Permitted Liens and Assumed Liabilities) because, with respect to each creditor asserting an Adverse Interest, one or more of~~

~~the standards set forth in sections 363(f)(3) of the Bankruptcy Code has been satisfied. All holders of Adverse Interests are adequately protected—thus satisfying section 363(e) of the Bankruptcy Code—by having their Adverse Interests, if any, attach to the proceeds of the Sale, in the same order of priority and with the same validity, force and effect that such Adverse Interest holder had before the Sale, subject to any rights, claims and defenses of the Debtors or their estates, as applicable, or as otherwise provided herein. {SMB: 8/22/16}~~

U. Buyer would not have entered into the APA and would not consummate the sale of all Acquired Assets, thus adversely affecting the Debtors, their estates, creditors, employees and other parties in interest, if the sale of the Acquired Assets was not free and clear of all Adverse Interests (other than Permitted Liens and Assumed Liabilities). A sale of the Acquired Assets, other than one free and clear of all Adverse Interests, would yield substantially less value for the Debtors' estates, with less certainty than the Sale.

Assumption and Assignment of the Designated Contracts

V. The assumption and assignment of the Designated Contracts pursuant to the terms of the Bidding Procedures Order, this Order and the APA are integral to the APA, are in the best interests of the Debtors, their respective creditors, their estates and other parties in interest, and represent the reasonable exercise of sound and prudent business judgment by the Debtors.

~~W.~~ The Debtors have met all requirements of section 365(b) of the Bankruptcy Code for each of the Designated Contracts. The Debtors and/or Buyer, as applicable under the APA, have (i) cured and/or provided adequate assurance of cure of any default existing prior to the date of the Closing under all of the Designated Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code and (ii) provided compensation or adequate assurance of compensation to any counterparty for actual pecuniary loss to such party resulting from a default existing prior to the date of the Closing under any of the Designated Contracts, within the meaning of section

365(b)(1)(B) of the Bankruptcy Code. ~~The assumption and assignment to Buyer of each of the Designated Contracts shall be free and clear of all Adverse Interests (other than Permitted Liens and Assumed Liabilities).~~[SMB: 8/22/16]

X. Buyer has provided adequate assurance of its future performance under the relevant Designated Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. ~~Pursuant to section 365(f) of the Bankruptcy Code, the Designated Contracts to be assumed and assigned under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, Buyer, notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.~~{SMB: 8/22/16}

Y. No default exists in the Debtors' performance under the Designated Contracts as of the date of the Closing other than the failure to pay Cure Amounts or defaults that are not required to be cured as contemplated in section 365(b)(1)(A) of the Bankruptcy Code.

Compelling Circumstances for a Sale

Z. To maximize the value of the Debtors' assets, it is critical that the Transactions close within the time constraints set forth in the APA.

AA. The consummation of the Sale are necessary both to preserve and maximize the value of the Debtors' assets for the benefit of the Debtors, their estates, their creditors and all other parties in interest in the Cases, and to provide the means for the Debtors to maximize creditor recoveries.

BB. The transactions contemplated by the APA and this Order neither impermissibly restructure the rights of any Debtor's creditors or equity holders nor impermissibly dictate the terms of a chapter 11 plan for any Debtor, and therefore, do not constitute a *sub rosa* chapter 11 plan.

CC. Nothing in the APA creates any third party beneficiary rights in any person or entity not a party to the APA.

NOW THEREFORE, ITS IS HEREBY ORDERED THAT:

General Provisions

1. The Motion is granted and approved to the extent set forth herein.
2. All objections to the Motion or the relief requested therein that have not been withdrawn, waived or settled as announced to the Court at the Sale Hearing or by stipulation filed with the Court prior to the date hereof or as resolved in this Order, and all reservations of rights included therein, are withdrawn; provided that 114 Fifth Owner LP reserves its rights to object to the assumption and assignment of the lease between 114 Fifth Owner LP and Gawker Media to the Buyer, as set forth in the *Limited Objection and Reservation of Rights of 114 Fifth Owner LP to Debtors' Proposed Assumption and Assignment of 114 Fifth Avenue Lease* [Docket No. 175]. All persons and entities given notice of the Motion that failed to timely object thereto are deemed to consent to the relief sought therein.
3. Findings of fact and conclusions of law in the Bidding Procedures Order, including the record of the Bidding Procedures hearing held on July 7, 2016, are incorporated herein by reference.
4. Where appropriate herein, findings of fact shall be deemed conclusions of law and conclusions of law shall be deemed findings of fact.

Approval and Assumption of the APA

5. The APA and all of the Transactions contemplated therein are approved. The failure specifically to include any particular provision of the APA in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the

APA be authorized and approved in its entirety, with such amendments thereto as may be made by the parties in accordance with this Order.

6. The Debtors are authorized to (i) execute and consummate the APA (including, for the avoidance of doubt, the agreements with respect to the Escrow Account set forth in the APA), together with any and all instruments and documents that may be reasonably necessary to implement the APA and to fully close the Transactions, including the sale to Buyer of all Acquired Assets, in accordance with the terms and conditions set forth in the APA and this Order; (ii) take any and all actions as may be necessary or appropriate to the performance of the Debtors' obligations as contemplated by the APA and this Order, without any further corporate action or order of this Court; and (iii) assume and assign any and all Designated Contracts as and when provided in the APA.

7. The consummation of the Sale and Transactions is legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, including sections 105(a), 363(b), 363(f), 363(m), 363(n), 365(b)(1) and 365(f)(2) of the Bankruptcy Code, and with respect to the Designated Contracts (defined below), all of the applicable requirements of such sections have been or will be complied with in respect of the Transactions as of the effective date of assignment.

8. ~~The sale of the Acquired Assets to Buyer will be, as of the Closing Date or such later date as such Acquired Assets are transferred under the APA, a legal, valid and effective transfer of such assets, and each transfer and assignment vests or will vest Buyer with all right, title and interest of the Debtors to the Acquired Assets free and clear of all Adverse Interests (other than Permitted Liens and Assumed Liabilities).~~[SMB: 8/22/16]

9. Buyer has no obligation to proceed with the Closing unless and until all conditions precedent to its obligations to do so, as set forth in the APA, have been met, satisfied or waived in accordance with the terms of the APA.

10. The Debtors are hereby authorized and directed, after consultation with the Committee, to instruct the Escrow Agent to (i) hold the Deposit in accordance with the APA and (ii) release and deliver the Deposit pursuant to the terms of the APA.

Sale and Transfer Free and Clear of Adverse Interests

11. Upon Closing (or thereafter as of the filing of a Post-Closing Designation Notice with respect to any Designated Contract, subject to the Post-Closing Assumption and Assignment Procedures³ described herein), all of the Debtors' legal, equitable and beneficial right, title and interest in and to, and possession of, the Acquired Assets shall be immediately vested in Buyer pursuant to sections 105(a), 363(b), 363(f) and 365 of the Bankruptcy Code free and clear of Adverse Interests (other than Permitted Liens and Assumed Liabilities), with all Adverse Interests to attach to the proceeds of the Sale, in the order of their priority, with the same validity, force and effect that they now have against the Acquired Assets (subject with respect to such proceeds to any rights, claims and defenses the Debtors or any parties in interest may possess with respect thereto). Such transfer shall constitute a legal, valid, binding and effective transfer of such Acquired Assets and shall vest Buyer with good and marketable title to the Acquired Assets.

12. The holders of claims related solely to the Permitted Liens and Assumed Liabilities shall have the right to seek payment directly from Buyer on account of the Permitted Liens and Assumed Liabilities; *provided, however*, that Buyer reserves any and all rights,

³ The "*Post-Closing Assumption and Assignment Procedures*" shall mean those procedures for assumption and assignment of Non-Residential Leases and Other Executory Contracts described in Paragraphs 31–35 of this Order.

defenses or objections with regard to such Permitted Liens and Assumed Liabilities, including Buyer's rights hereunder and under the APA.

13. This Order is and shall be binding upon entities, including all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials and all other persons and entities who may be required by operation of law, the duties of their office or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing persons and entities shall accept for filing following the payment of any filing fees any and all of the documents and instruments necessary and appropriate to consummate the Transactions.

14. Except with respect to the Assumed Liabilities, all persons and entities (and their respective successors and assigns), including all Governmental Units (as defined in section 101(27) and 101(41) of the Bankruptcy Code), debt security holders, equity security holders, affiliates, governmental, tax and regulatory authorities, lenders, customers, vendors, employees, trade creditors, litigation claimants and other creditors holding Adverse Interests arising under or out of, in connection with, or in any way relating to, the Debtors, the Acquired Assets, the ownership, sale or operation of the Acquired Assets and the business prior to the Closing or the transfer of Acquired Assets to Buyer (whether prior to the Closing or thereafter as of the filing of a Post-Closing Designation Notice for any Designated Contract, subject to the Post-Closing Assumption and Assignment Procedures described herein), are hereby forever barred, estopped and permanently enjoined from asserting such Adverse Interests (other than Permitted Liens and Assumed Liabilities) against Buyer, its property or the Acquired Assets. Following the Closing

(or thereafter as of the filing of a Post-Closing Designation Notice for any Designated Contract, subject to the Post-Closing Assumption and Assignment Procedures described herein), no holder of any Adverse Interest shall interfere with Buyer's title to or use and enjoyment of the Acquired Assets based on or related to any such Adverse Interest (other than Permitted Liens and Assumed Liabilities), or based on any action the Debtors may take in the Cases. All persons or entities, presently or on or after the Closing, in possession of some or all of the Acquired Assets shall surrender possession of the Acquired Assets to Buyer or its respective designees.

15. 23. Buyer is entitled to all the protections and immunities of section 363(m) of the Bankruptcy Code. ~~There has been no showing that the Debtors or Buyer engaged in any action or inaction that would cause or permit the Transactions to be avoided or costs or damages to be imposed under section 363(n) of the Bankruptcy Code. [SMB: 8/16/16]~~

Assumption and Assignment of Designated Contracts

24. Before the Sale Hearing, in accordance with and pursuant to Section 2.7 of the APA, Buyer provided to the Debtors a Closing Designated Contract List designating certain Non-Residential Leases and Other Executory Contracts for assumption by the Debtors and assignment to Buyer as of the Closing Date. Within three (3) Business Days following the entry of this Order, the Debtors will file and serve by first class mail on all non-Debtor counterparties to the Non-Residential Leases and Other Executory Contracts included on the Closing Designated Contract List an Assumption Notice with respect to the Contracts listed on the Closing Designated Contract List and such notice will be good, sufficient and appropriate under the circumstances, and no further notice of the Closing Designated Contract List is required.

25. Pursuant to Section 2.7 of the APA, from and after the Closing Date through the Designation Deadline,⁴ Buyer shall provide written notice to the Debtors and the Debtors shall provide such notice to the affected counterparties within one (1) Business Day of receipt of such notice from Buyer designating any additional Non-Residential Leases and Other Executory

⁴ Designation Deadline is defined in the APA to mean 5:00 p.m. (prevailing Eastern time) on the date that is thirty (30) days from the Closing Date (or such longer period as may be agreed between Buyer and the counterparty of the applicable Contract).

Contracts for assumption by the Debtors and assignment to Buyer (the “Post-Closing Designation Notice”).

26. The Debtors are authorized at the Closing (or thereafter as of the filing of a Post-Closing Designation Notice for any Designated Contract) to assume and assign each of the Designated Contracts in accordance with the APA and this Order to Buyer free and clear of all Adverse Interests (other than Permitted Liens and Assumed Liabilities) pursuant to sections 105(a), 363 and 365 of the Bankruptcy Code **to the extent permitted by bankruptcy law** and to execute and deliver to Buyer such documents or other instruments as may be necessary to assign and transfer the Designated Contracts to Buyer. The payment of the applicable Cure Amounts by Buyer shall (i) effect a cure of all defaults existing thereunder as of the Closing (or thereafter for any Designated Contract that is assumed and assigned post-Closing, subject to the Post-Closing Assumption and Assignment Procedures described herein), (ii) compensate for any actual pecuniary loss to such non-Debtor counterparty resulting from such default and (iii) together with the assumption of the Designated Contracts by the Debtors and the assignment of such Designated Contracts to Buyer, constitute adequate assurance of future performance thereof. Subject to the Post-Closing Assumption and Assignment Procedures described herein for any Designated Contract that is assumed and assigned post-Closing, the counterparties to the Designated Contracts are forever bound by the applicable Cure Amounts and, upon payment of such Cure Amounts as provided for herein, are hereby enjoined from taking any action against

Buyer or the Acquired Assets with respect to any claim for cure under the applicable Designated Contracts.

27. Any provision in any Designated Contract (including any Designated Contract that becomes such post-Closing subject to the Post-Closing Assumption and Assignment Procedures described herein) that prohibits or conditions the assignment of such Designated Contract or allows the counterparty to such Designated Contract to terminate, recapture, impose any penalty, condition on renewal or extension or modify any term or condition upon the assignment of such Designated Contract, constitute unenforceable anti-assignment provisions that are void and of no force and effect with respect to the Debtors' assumption and assignment of such Designated Contracts in accordance with the APA but will be effective and binding upon Buyer with respect to any purported assignment for the remaining term of such Designated Contract. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to Buyer of the Designated Contracts have been satisfied. Upon the Closing or such later time as is provided in the APA with respect to the assumption and assignment of any Designated Contract, in accordance with sections 363 and 365 of the Bankruptcy Code, Buyer shall be fully and irrevocably vested with all right, title and interest of the Debtors under the Designated Contracts, and such Designated Contracts shall remain in full force and effect for the benefit of Buyer.

28. Each non-Debtor counterparty to the Designated Contracts shall be forever barred, estopped, and permanently enjoined from (i) asserting against the Debtors or Buyer or their respective property any assignment fee, acceleration, default, breach or claim or pecuniary loss, or condition to assignment existing, arising or accruing as of the Closing (or thereafter as of the filing of a Post-Closing Designation Notice for those that arise post-Closing and are not

barred by this Order with respect to any Designated Contract that is assumed and assigned post-Closing) or arising by reason of the Closing or the transfer of the Acquired Assets, including any breach related to or arising out of change-in-control in such Designated Contracts, or any purported written or oral modification to the Designated Contracts and (ii) asserting against Buyer (or its property, including the Acquired Assets) any claim, counterclaim, breach, or condition asserted or assertable against the Debtors existing as of the Closing (or thereafter as of the filing of a Post-Closing Designation Notice for those that arise post-Closing and are not barred by this Order with respect to any Designated Contract that is assumed and assigned post-Closing) or arising by reason of the transfer of the Acquired Assets, except for the Assumed Liabilities. In addition, without relieving Buyer of its obligations under the APA, nothing in the Order, the Motion or the APA shall affect the Debtors' obligations under section 365(d)(3) of the Bankruptcy Code (or Buyer's assumption thereof) prior to the assumption and assignment or rejection of any Designated Contracts.

29. Upon the Closing (or thereafter as of the filing of a Post-Closing Designation Notice for any Designated Contract), Buyer shall be deemed to be substituted for the Debtors as a party to the applicable Designated Contracts and shall pay all outstanding undisputed Cure Amounts with respect thereto, and the Debtors shall be released, pursuant to section 365(k) of the Bankruptcy Code, from any liability under the Designated Contracts from and after such assignment. There shall be no assignment fees, increases or any other fees charged to Buyer or the Debtors as a result of the assumption and assignment of the Designated Contracts.

~~30. Buyer has provided adequate assurance of future performance under the Designated Contracts (including any Designated Contract that becomes such post-Closing)~~

~~within the meaning of sections 365(b)(1)(e), 365(b)(3) (to the extent applicable) and 365(f)(2)(B) of the Bankruptcy Code. [SMB: 8/22/16]~~

Any such objection must be in writing and filed and served so that such objection is filed with this Court and actually received by the Debtors and the Post-Closing Designation Notice Parties no later than ten (10) days after the date the Debtors served the applicable Post-Closing Designation Notice.
